5. Oh, my Immanuel!  
Though Satan would compel  
Us all to die,  
Yet Thou art ever near;  
In conflicts most severe,  
With world and Satan here,  
Thou standest by.
  
6. Thou art my Light and Pow'r,  
My Joy and Life each hour,  
Redeemer blest!  
While pilgrim here I be,  
I lift mine eyes to Thee,  
My faith's security,  
My soul's true Rest!
  
7. Faith's language this shall be  
Through all adversity:  
Faithful is God!  
In Christ, His Only Son,  
He dearly loved each one,  
Chose them to be His own,  
Ere man earth trod.
  
8. Worship and laud and praise  
In strength and clarity,  
O Lord, to Thee!  
Now feeble, verily,  
One day Thy praise shall be  
Unclouded, pure and free,  
Eternally!
